

NJ ATSA

New Jersey Association for the Treatment of Sexual Abusers

New Jersey Association for the Treatment of Sexual Abusers is a state chapter of the Association for the treatment of Sexual Abusers, an international non-profit organization “founded to foster research, facilitate information exchange, further professional education and provide for the advancement of professional standards and practices

Application for the NJ ATSA Grant Initiative

To create new opportunities for individuals and/or agencies, and to continually strive to meet national ATSA’s mission to “foster research, facilitate information exchange, further professional education and provide for the advancement of professional standards and practices in the field of sex offender evaluation and treatment,” NJ ATSA is sponsoring a grant initiative, and will award a maximum of \$5000 annually.

Objective: To support individuals or agencies that are interested in undertaking a project, or seeking additional support for an existing project that will help to advance the field at the local and/or national level. Empirical research projects are preferred.

Eligibility: Individual or groups, students, or agencies that works with, or provide services for sexual abusers, or are conducting research related to this field.

Name: _____

Degree: _____

Email: _____

Daytime Phone: _____

Organization: _____

Please describe the project and how it is expected to benefit the field (attach additional page if needed):

Description and procedures of the project (attach additional page if needed):

- I agree to an announcement of the grant award, e.g., verbally at a NJ ATSA meeting, via email or social media. I also agree to share all findings and outcomes of any research project to the NJATSA Board
- I understand the projects that involve empirical research with human subjects, whether through intervention or interaction or in the form of identifiable private information will be asked to provide additional information, such as Institutional Review Board (IRB) pre-approval and informed consent and other procedures and safeguards for the individual(s).
